

Weekly Garden Care Checklist

Watering

- Check soil moisture daily
- Water early morning or late evening

Feeding

- Add compost or liquid fertilizer once a week
- Sprinkle crushed eggshells for calcium

Pest Watch

- Inspect leaves for *scale* insects or aphids
- Wipe off pests with mild soap solution

Pruning & Tidying

- Remove yellow or damaged leaves
- Trim herbs to encourage new growth

Harvesting

- Pick ripe fruits and herbs regularly
- Store or use immediately for freshness

Happy Gardening!
